

August 2021

Dear Parents or Guardians,

On behalf of the Cafeteria Staff, we would like to welcome all new and returning students. This year our returning staff consists of our Kina Alford - Cafeteria Lead, April Johnson- Cafeteria Staff and myself.

We use MySchoolBucks for on-line prepayments system. This system provides several key features that you will find beneficial: Scheduled recurring payments, automatic deposits when your child's account balance runs low, extended purchase history for the past 90 days, low balance email notifications. And new features this year: lunch menus and announcements.

How to set up Account:

- Download the app or visit the MySchoolBucks homepage and click on "Sign Up Free".
- Create a user profile with your email address, establish a password, and set up your security questions.
- Add a Student to your account using school name and student ID number.
- Now you're ready to add funds to your student's account

How to add funds: Click on the green "Make a Payment" button on your homepage. On the next page you will be promoted to select a payment amount, or you can add your own amount in the other field. If you haven't done so yet, you will need to add a credit/debit card to your account. Click continue to visit the review page and then click "Fund Now" to complete your purchase.
