Superintendent

Lynn Dockery  
Principal

## Transfer Student Guidelines

Transfer Students:

**Attendance:** Will have no more than 3 absences per semester. Any additional absences must be accompanied with a doctor's note.

**Academics:** Must maintain a 70 average in each subject.

Must have passed all sections of the STAAR test.

**Discipline:** Must have received no more than 3 detentions for minor infractions in each class per semester.

Must have received no more than 3 days assigned to the In-School Suspension (ISS) class.

Please feel assured that these guidelines have not been implemented to discourage any transfer students, but have been established so that Milford I.S.D. can continue to provide the best education for all students. If any of the guidelines are not being met, the district has the authority to terminate the student enrollment for the current semester and deny enrollment for the next semester.
