Vernon Orndorff – Superintendent   David Johnson - Principal

November 20, 2020

Dear Parent/Guardian,

In keeping with Milford I.S.D.'s practices to respond to COVID-19, we are notifying all student families that a staff member who was lab-confirmed to have COVID-19 was present on the campus of Milford I.S.D. on November 16, 2020. Due to privacy requirements, we will not be releasing the name of the individual or details that may identify him or her.

We are working closely with the local health department on this matter. After careful review we have determined that the COVID-positive person did not come into close contact with students, staff, or areas accessed by students or staff. Operations at Milford School will continue as usual and we will keep you apprised of further updates.

While we do not have reason to believe that those who were not in close contact with the infected individual have reason to be concerned, we ask that you, as always, watch for symptoms of COVID-19.

Any of the following symptoms indicate a possible COVID-19 infection:
- Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- Loss of taste or smell;
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain; or
- New onset of severe headache, especially with a fever.

If you or any member of the Milford I.S.D. community begins experiencing any of these symptoms in a way that is not typical, we encourage you to contact your physician. We encourage anyone in the Milford I.S.D. community who is lab-confirmed to have COVID-19 to please notify our school by contacting the superintendent's office at 972-493-2911.

If you have any questions or concerns, please reach out to us at 972-493-2911 or visit our website at www.milfordisd.org.

Sincerely,

Vernon Orndorff
